John Gilmour talks about his new book ***Sweden, the Swastika and Stalin*** *The Swedish Experience in the Second World War*

Tuesday April 19 at 18:30

Interest in Sweden's wartime experiences has increased due to its post-war profile as a neutral that allowed German troops to transit through its territory while still trading with the Nazi regime during the holocaust years. Many misconceptions and false impressions have arisen and persisted as a result of deliberate misinformation and concealment by all sides during that time.

John Gilmour is Honorary Fellow in Scandinavian Studies at the University of Edinburgh.
